# STUDENT MOVE OUT – BIG TAKE AWAY 2026

Clear Out, Recycle Smart:  
**Join Our Big Take  
Away Event from 15th  
June to 5th July!**

Got items to recycle or reuse?  
Bring your items to our Big  
Take Away event! It's the  
perfect place to dispose of  
things you no longer need  
when moving out.

We've partnered with local  
charities to ensure your  
donations go where they're  
needed most. Moving is easy  
with plenty of options to help  
you recycle more and waste  
less.

## Items accepted are:

- Batteries
- Books and textbooks
- Chopping boards (wooden, plastic, glass)
- Crockery, plates, bowls, mugs, drinking glasses
- Electricals (toasters, irons, hair dryers, air fryers, microwaves)
- Light bulbs
- Plastic cups, trays, tupperware, plates
- Metal pots, pans, cutlery, knives
- Textiles, clothing, shoes
- Utensils (wooden, plastic, metal)
- **Tinned and packet food for donation to Cardiff Foodbank**

If your stuff is in good enough condition to donate, please make us aware so we can redistribute them to our reuse partners. We would greatly appreciate it if you could clean your pots, pans, and cutlery before dropping them off.

## Items you should not bring:

- Large electrical appliances such as fridges, freezers, washing machines
- Furniture
- General waste, black bags

## DROP-OFF LOCATION 2

Located on Keppoch Street at Mackintosh Sports Club car park

Both locations will be open EVERY DAY from Monday 15th June to Sunday 5th July (including weekends).

No need to book, just turn up between 10am and 3pm and give items to Cardiff Council's Recycling Team.

Students often have extra recycling, waste, and other items to dispose of when moving house. Students on the Move was created to help them find legal, safe, and responsible ways to deal with that extra stuff – keep reading for all your options!
